Delegate Feedback

“Excellent - very high quality of presenter and information imparted.”

“Very good content, nearly all areas covered by various speakers was relevant to my organisation. Choice of venue was excellent.”

“Great insightful day.”

“Very informative at the right level and prompts thinking and ideas for our business processes for the future! Well done!”

“Really good, well balanced content, added depth to my understanding.”

“Extremely professional in presentation, content and venue.”

“Overall, excellent presentations, clear, great information, very well looked after and catered for.”

“Another year of excellent speakers with up to date technology. Presentations fully relevant to today's markets.”

“A great way to see the broad technologies available and what is coming down the line. Very useful.”

“Valuable insight into future technologies.”

“Even better than last year. Excellent presentations, lots of stands demonstrating products and a VERY cool venue.”

“An excellent event which is on topic and worthwhile attending.”

“Excellent documentation, great venue, good subjects and presentations. Well worth it, plan to be there next year to stay informed and know where to go for answers to your questions. Britannic = solutions.”

“An event to always look forward to, where good content and a great venue is provided.”

“Very informative and leading edge as always, just as we know Britannic! Well done, looking forward to attending next year as well!”

“A very good event providing an excellent overview of what is a very fast changing, technical environment.”

“Time well spent - interesting, relevant presentations, good professional job. Thank you.”

“Some excellent presentations and a very well organised and professional event.”

“A perfect conference.”

“This type of event is invaluable in finding out a lot about new technologies for taking business forward.”

“Very informative, interesting. Got a better understanding of cloud computing and how to deal with BYOD environment effectively and securely.”

“Britannic continue to be our preferred partner and we look forward to working even more closely in the future.”

“Thought provoking.”

“The Convergence Summit provides me with a good overview of the progress and innovations happening in the Unified Comms area from some of the UK's most respected suppliers. A must attend event.”

“All presentations timely. Well done!”
